

# SPRING WINDOW ART

Share your beautiful window creations! With the changing of seasons, Spring brings this colourful window art project to your home. Your theme can be abstract, spring-inspired or anything you can dream of. This is a great way to add colour to your home, connect with your neighbours and friends and inspire each other!

## WINDOW PAINTING

### Materials List:

- Acrylic or Tempera Paint
- Dish Liquid
- Painters/Masking Tape
- Paint brush
- Paper cup/plate for mixing paint

**STEP 1:** Tape window with your pattern or design. Create geometric shapes or incorporate shapes and letters that mean something to you. What friendly and encouraging message would you like to send to your neighbours and friends passing by your home?

**STEP 2:** Mix paint with a few drops of dish liquid and start painting in your shapes.

**STEP 3:** Remove tape before paint is fully dried.

## PAPER COLLAGE

### Materials List:

- Construction, Tissue or White Paper
- Scissors
- Tape
- Crayons

**STEP 1:** Think about what kind of theme you want to create. Will it be Spring, Easter, Character or Family-inspired?

**STEP 2:** Start cutting out the shapes you will need for your window scene using construction or tissue paper. If you don't have coloured paper, use white paper and crayons to make some colorful shapes or drawings.

**STEP 3:** Once you have all the shapes cut out, start sticking them to your window with tape to create your design.

Take a picture and share with family, friends and on the Art Gallery Facebook & Instagram pages.

**HAPPY CREATING!**
