

FEATURED EXHIBITION

Carmen Haakstad

DOMINO VI

October 8th - January 24th, 2020

In his exhibition *Domino VI*, Grande Prairie artist Carmen Haakstad offers to you, the viewer, a glimpse into the inner workings of the creative process. This show depicts sacred, ethereal images which are an original reflection of Carmen Haakstad's very evident connection to the northern landscape.

You will observe examples of Carmen's earlier works, which have lead him to *Domino VI*, the fulfilment of the artist's spiritual inner journey to date. This represents the sixth show in the Domino series, and his first show as a full time artist.

During these challenging times we strive to keep your group safe. We are offering programs but for only a limited number. We will be taking all the precautionary measures during your time at the Art Gallery and hope that you are able to visit us and experience the arts.

*Masks are mandatory due to the City bylaw. Exempt from the bylaw are children under the age of 2 and children between 2 to 5 years of age who refuse to wear a face covering and cannot be persuaded to do so.
