

TRANSFORM

TRANSFORM

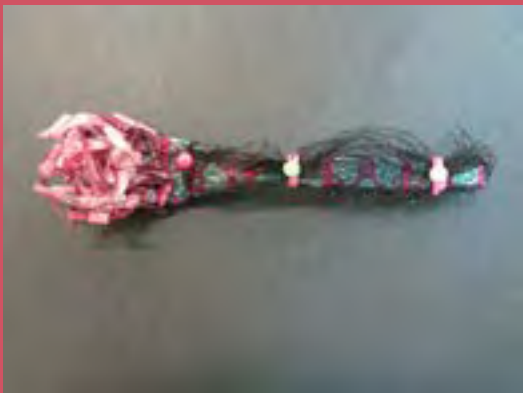

Inspired by Tiziana La Melia's installation
Rust Daughters say it with Flowers,
create a whimsical sculpture.

1. Take a fork or spoon.
2. Wrap the object in tape or other material attractive to you.

3. Twist the ties, knot the yarn, shape and/or colour the cheese cloth.
4. Simply think of a way you can alter the cutlery to create something new.

Take a picture and share your artwork with us by using the hashtag #ArtatHomeGP
on Facebook or Instagram.

HAPPY CREATING!
