

MEET THE ARTIST VIRTUAL TOUR WITH FREE ART ACTIVITY KIT

FEATURED EXHIBITION:

Carl White - *I Dreamed A Universe!*

We are pleased to offer a new series called *Meet the Artist*. Join the Art Gallery of Grande Prairie's Curator, Learning, Sabine Schneider, in conversation with Artist Carl White about his exhibition *I Dreamed a Universe!* on display at the Art Gallery of Grande Prairie until May 30, 2021.

We have created this program for you to be able to 'visit' the Art Gallery in the comfort of your home/classroom/office/location. After your group has watched the video, you can facilitate the art project inspired by the artist's exhibition with our FREE art activity kits.

Please email jamie-lee@aggp.ca or call 780-357-7480 to coordinate the delivery of the FREE art activity kits.

*This video reflects unique perspectives related to the exhibition. We recommend to all facilitators to preview the video before sharing it with their audience. The video can be found on our YouTube channel. Thank you.
