

Summer Art Camp Handout 2021

Student Drop Off & Pick Up – Following signage inside the Art Gallery, all Summer Art Camp students must be dropped off and picked up in the Art Gallery’s classroom by a parent or guardian.

Sign In & Out Sheet Area – There will be a stand with Hand Sanitizer & Wipes at entrance for children and guardians to sanitize their hands when they arrive and leave if they wish.

Measurements taken by AGGP to keep children safe:

- There will be the same primary instructor for the full camp.
- Staff will be instructed to do screening of symptoms every day.
- We will ask parents or guardians to do the symptom screening checklist at home before coming to camp.
- If a child should develop symptoms while at camp, they will be immediately removed from camp and isolated with an instructor. At this point, parents or guardians of symptomatic child, as well as the other children in the camp, will be notified and asked to pick-up their child(ren) immediately. The camp will close for a minimum of 72 hours.

Procedures during camp:

- Entry into classroom will be staggered for drop off & pick up.
- We will practice increased cleaning of high use common areas.
- Students will have their own station for the week and won’t share art supplies.
- Students will be socially distanced (2 m).
- Weather permitting, snack time will be outside.
- Mask will be mandatory in adherence to the provincial laws in place at this time.

A friendly reminder for parents/guardians:

- Please bring a nut-free snack & drink for break time.
- Hat & sunscreen (for breaks and activities that might be outside).
- Emergency supplies if your child has severe allergic reactions.
- If possible, please assign a designated parent or guardian for pick-up & drop offs.
