TREX WALL Open Call for Submissions

Proposal submission deadline is January 22, 2023, by 11:59pm

This is an open call for Alberta artists to submit a proposal for the TREX WALL which is located just outside the Art Gallery of Grande Prairie. This public exhibition wall is in the busy Montrose Cultural Center, home to the Grande Prairie Public Library, Jeffreys Café & the Art Gallery of Grande Prairie. The 13-foot TREX Wall will be equipped with a rail hanging system, but this doesn't limit the artwork to be only 2D, the space also lends itself well to creative installation works.

We are looking for engaging proposals that respond to the space and take into consideration potential interactions with viewing audiences – there is no limit on the type of exhibition proposed they can be two dimensional, sculptural, and/or mixed-media in nature. We would also welcome an educational or public engagement component. In your proposal, please indicate if you are interested in working with the organizers on developing this.

We would like to thank our sponsor, KMSC LAW for making this project possible.
