FEATURED EXHIBITION

Weave and Intertwine Interactive Community Art Exhibition

September 7, 2023 - March 30, 2024

Weave and Intertwine explores the intricate nuances of weaving as an artform as well as a community practice. Integrating hands-on studio-based learning, exhibition and interpretive gallery space, *Weave and Intertwine* encourages the interactive exploration of the multi-faceted ancient craft of weaving in a vibrant artistic atmosphere.

At its simplest, weaving involves two sets of threads: the warp and weft. These threads are intertwined with each other to form a fabric or cloth. The weft runs horizontally and is interwoven with the stationary, often vertical, warp. Generally, a device called a loom holds the warp under tension so that the weft can go easily over or under them. Its moving parts separate the warp threads so that the weft threads can be sent across the warp in one movement.

Weave and Intertwine invites all community members to share their creativity by adding colours, textures, and patterns to collaborative tapestries for display in an evolving community art exhibition. Enveloped by the exquisitely handwoven cloths from the Saskatoon Lake Weavers, *Weave and Intertwine* shares a refreshing blend of traditional textiles woven by experienced Weavers and contemporary tapestries co-created by new Weavers.

“The beauty of community art is that everyone is invited to share their unique voice and creativity to then be experienced by all.”

SHARING THE ART EXPERIENCE

The Art Gallery of Grande Prairie's educational programs aspire to be comprehensive and inclusive of all community members. Our goal is to provide access to contemporary and historical visual arts for all, regardless of age, mobility and financial capacity. Unique programs serve as a flagship for the Art Gallery as they provide context and meaning to viewers and enable them to understand art forms from a personalized perspective.

FACILITATING THE ART EXPERIENCE

Engaging with the works in AGGP's current exhibitions, students practice careful observation skills and learn about interpreting a work of art. Interactive activities in response to the exhibition in the gallery space are often part of an Art Gallery visit. Hands-on take-home projects are a great way to ground and enhance student's own art experience. Principles and elements of design are emphasized and integrated in AGGP's educational programming.

Option 1: 1 Hour Program

Groups who spend one hour at the Art Gallery of Grande Prairie often combine visiting the Art Gallery of Grande Prairie and the Grande Prairie Public Library at the same time. It is particularly beneficial when two groups from one organization visits the Montrose Cultural Centre at once because they can alternate between both institutions: while one group enjoys a tour of the Library, the other group appreciates the art showcased at the Art Gallery. That way they learn about two important community resources at the same time!

Cost: Free

To reserve an elementary library tour, please e-mail info@gppl.ca or call the Information Desk at (780) 357-7435. The Library information desk will be able to direct your request to their coordinator.

Option 2: 1.5 Hour Program

This is the minimum time to combine a facilitated tour with a take-home hands-on art project inspired by current exhibitions.

Hands-on art projects emphasize a contemporary mixed-media approach. The projects are age-appropriate and based on the principles and elements of art and design. These experiential components allow for student's own experience of the exhibitions to be enhanced and grounded.

Cost: Free

Option 3: 2 Hour Program

This program is similar as 1.5 hour interpretive program. It, however, allows for more time to complete the artworks or to see another exhibition. This program concludes with an appreciation of the artworks students have created in response to one of Art Gallery of Grande Prairie's current exhibitions.

Cost: Free

Option 4: Integrated Arts Retreat

Enjoy the day with your students at the Art Gallery. This custom-designed educational initiative allows for an extraordinary experience of making and sharing art in a nurturing environment. Engagement with our current exhibitions and take-home hands-on art projects are included as suitable to your group. Duration: All day, as agreed with Art Gallery of Grande Prairie's Learning Department.

Cost: \$ 70 per group

Includes all art material and facilitation costs.

Max. of 20 students per group.

Please Note: 1 (teacher/adult) : 10 (student) ratio is required for all School and Community Groups visiting the Art Gallery of Grande Prairie.

The Carlstrom Family Green Space

The Green Space is an interactive gallery and self-directed studio space where visitors can enjoy responding to the Art Gallery's exhibitions through free, self-directed art projects that are designed to encourage reflection, creativity and inspiration.

The Art Gallery of Grande Prairie (AGGP) has received a generous donation and long-term commitment dedicated to The Green Space from the Carlstrom family of Grande Prairie. In December 2014, the space was renamed The Carlstrom Family Green Space.
